SOUTH CAROLINA MEDICAL COLLEGE, QUEEN STREET.

From A Medical College . . .

To A Medical University

Charleston - The Holy City

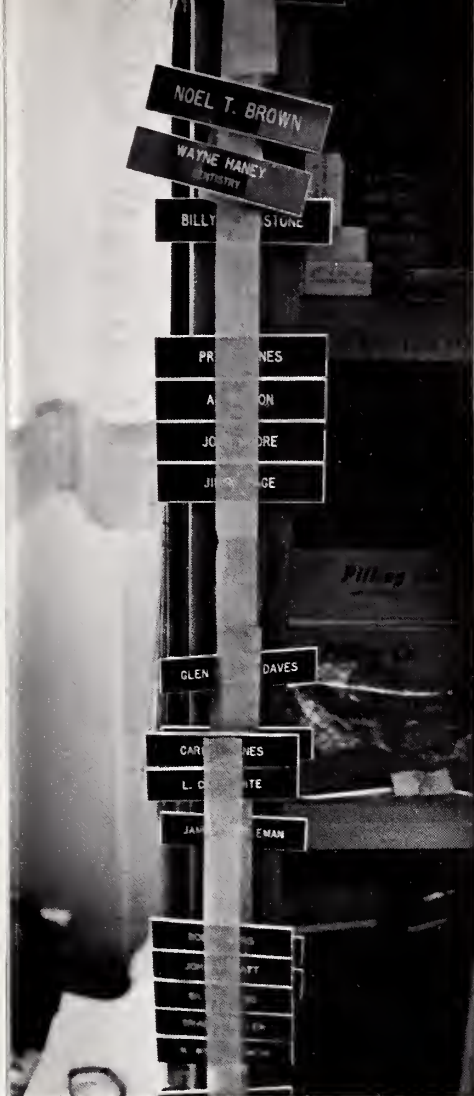

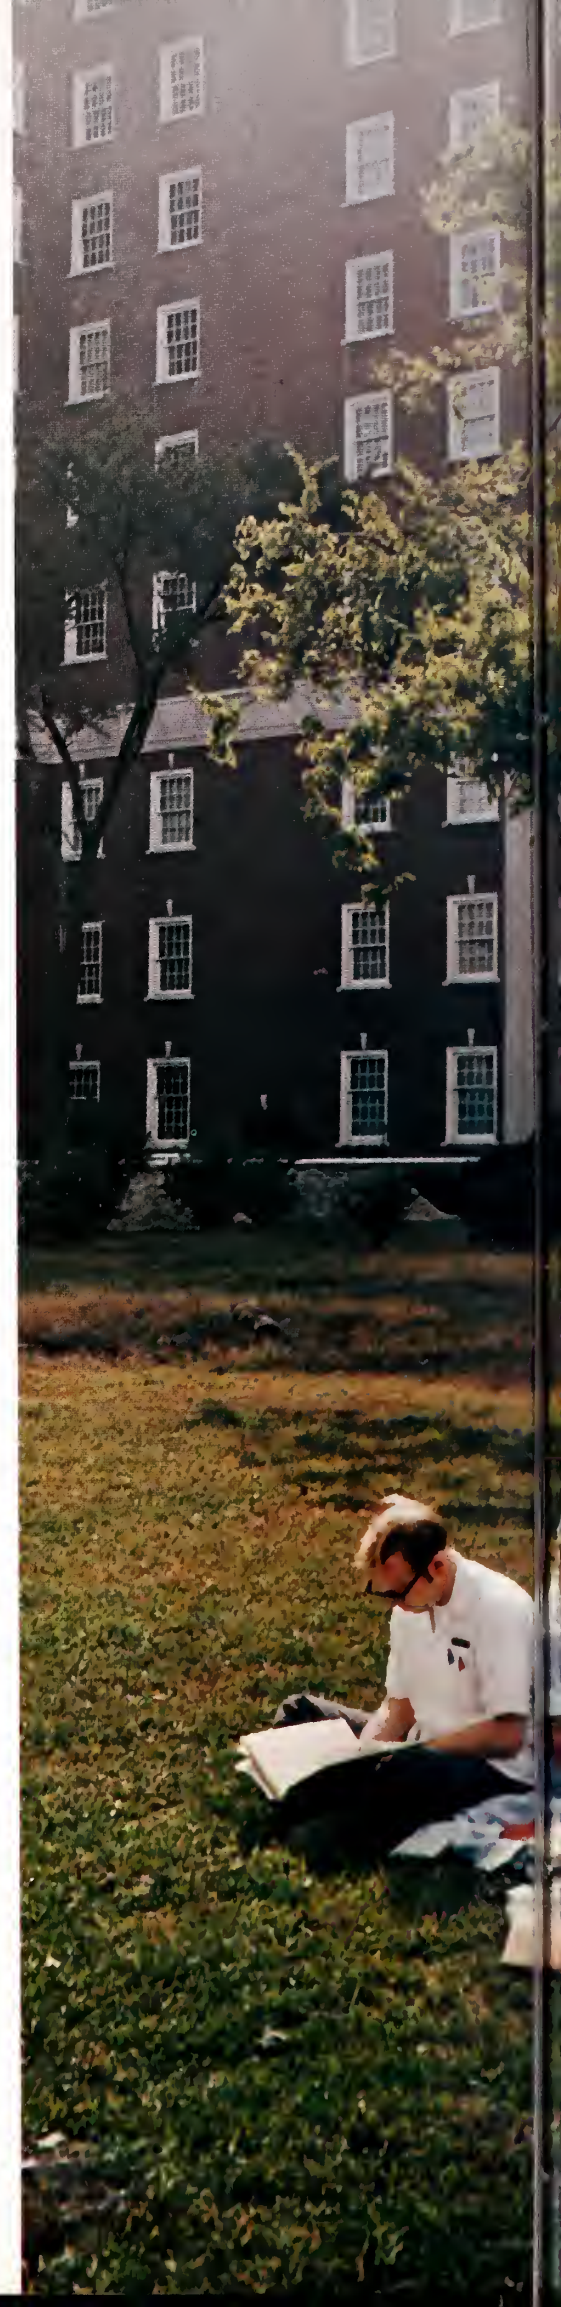

Back To School

Study . . . Research

MUSC Life

More Study . . .

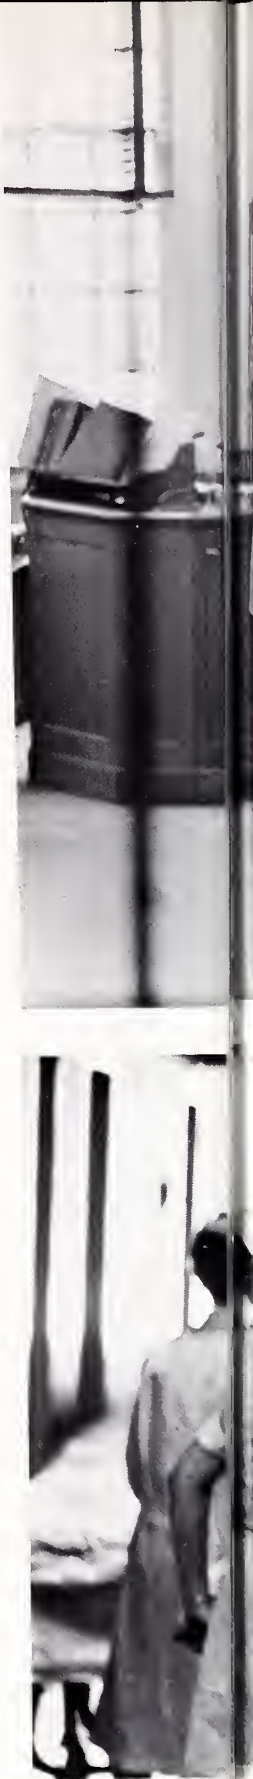

Never Ceasing

Except . . .

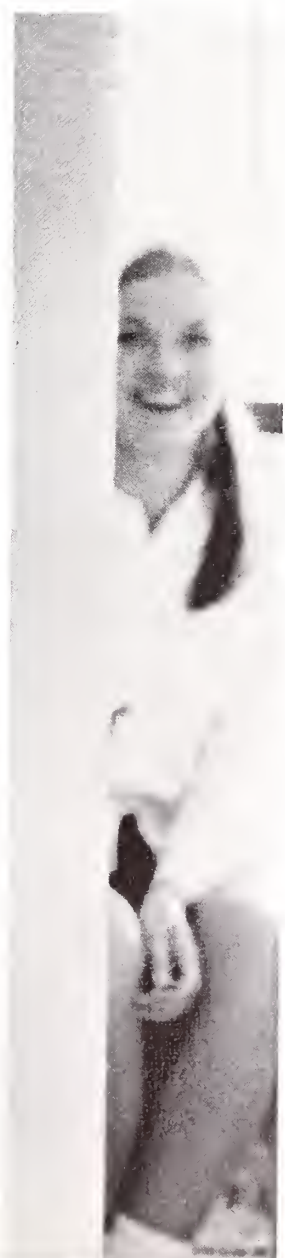

A MUSC Student . . .

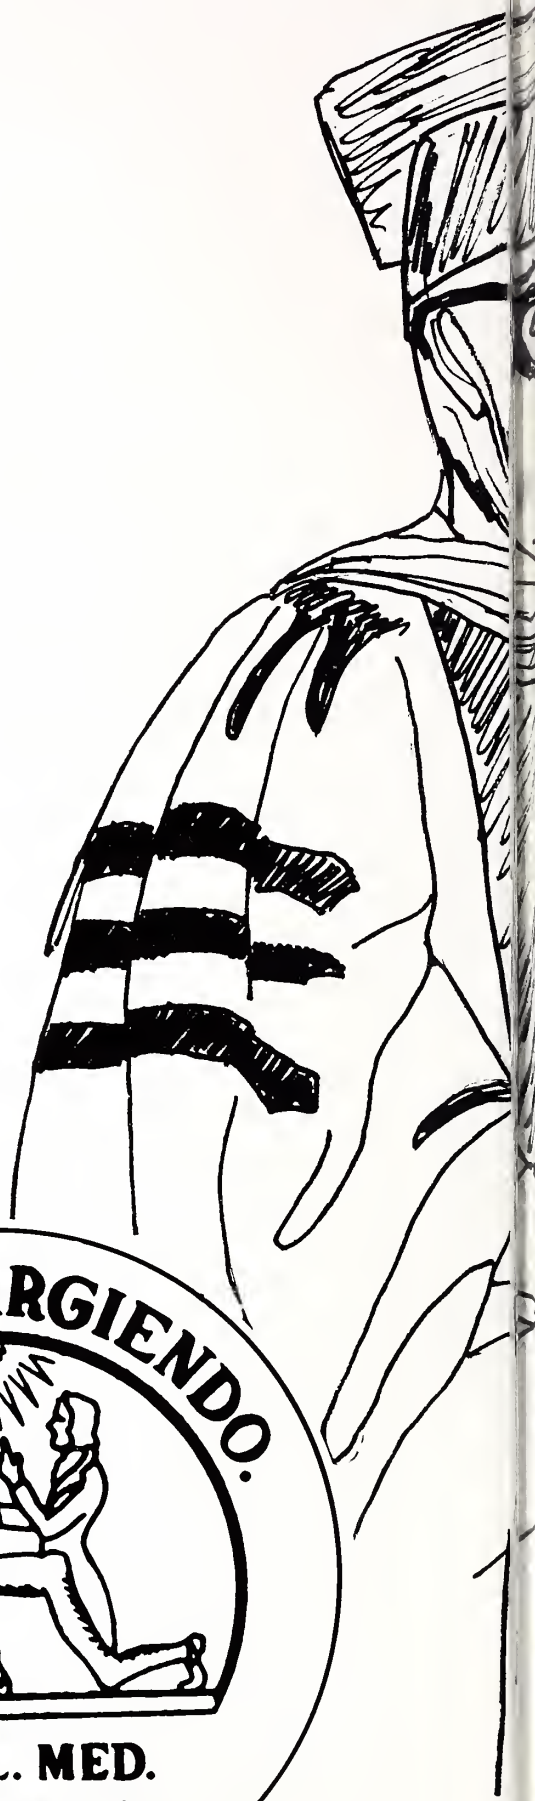

A Changing Face

Towards The Future, The Establishment, And Himself . . .

Administration

William Mellen McCord, A.B., Ph.D., M.D., President of the Medical University of S.C.

Administration

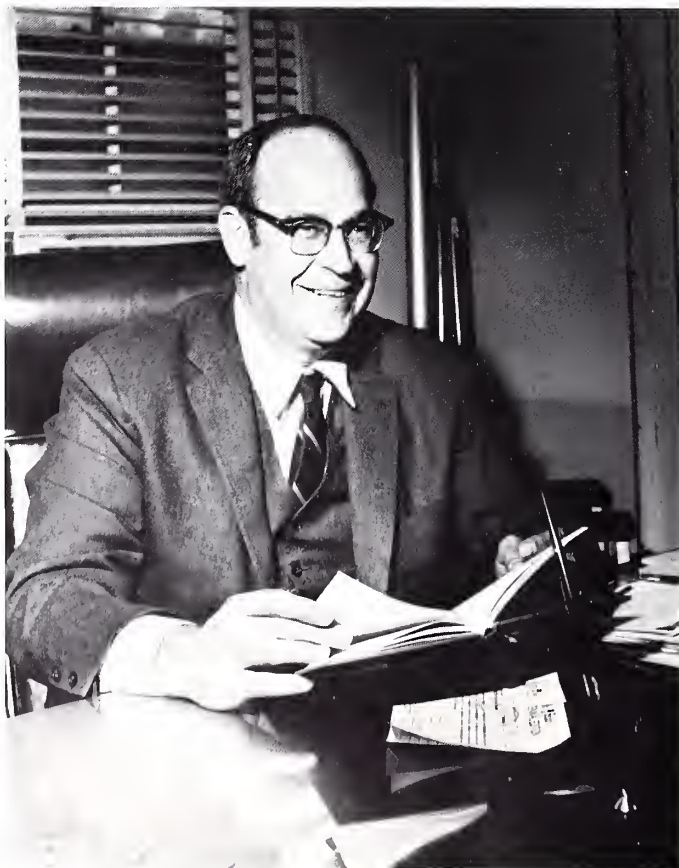

Under the auspices of Dr. William McCord and the members of the Board of Trustees which include: William C. Draffin, D.D.S., Benton M. Montgomery, M.D., Harrison L. Peebles, M.D., Henry Savage, LL.B., Harry R. Stephenson, Jr., LL.B., June O. Yarbrough, LL.B., Rembert C. Dennis, LL.B., Joseph P. Cain, Jr., M.D., Charles B. Hanna, M.D., Neill W. Macaulay, D.D.S., John M. Pratt, M.D., John L. Pressly, A.B., J. Edwin Sahachte, Jr., B.S., Robert W. Turner, chairman, and Governor Robert McNair, the Medical College of South Carolina received university status on July 1, 1969 by an act of the state legislature. This enables the Medical University to be eligible for federal funds to broaden education and research in the medical field.

John Elwood Wise, B.S., M.A., Vice-President, Business Administration

William DeKalb Huff, Vice President for Development and Public Relations

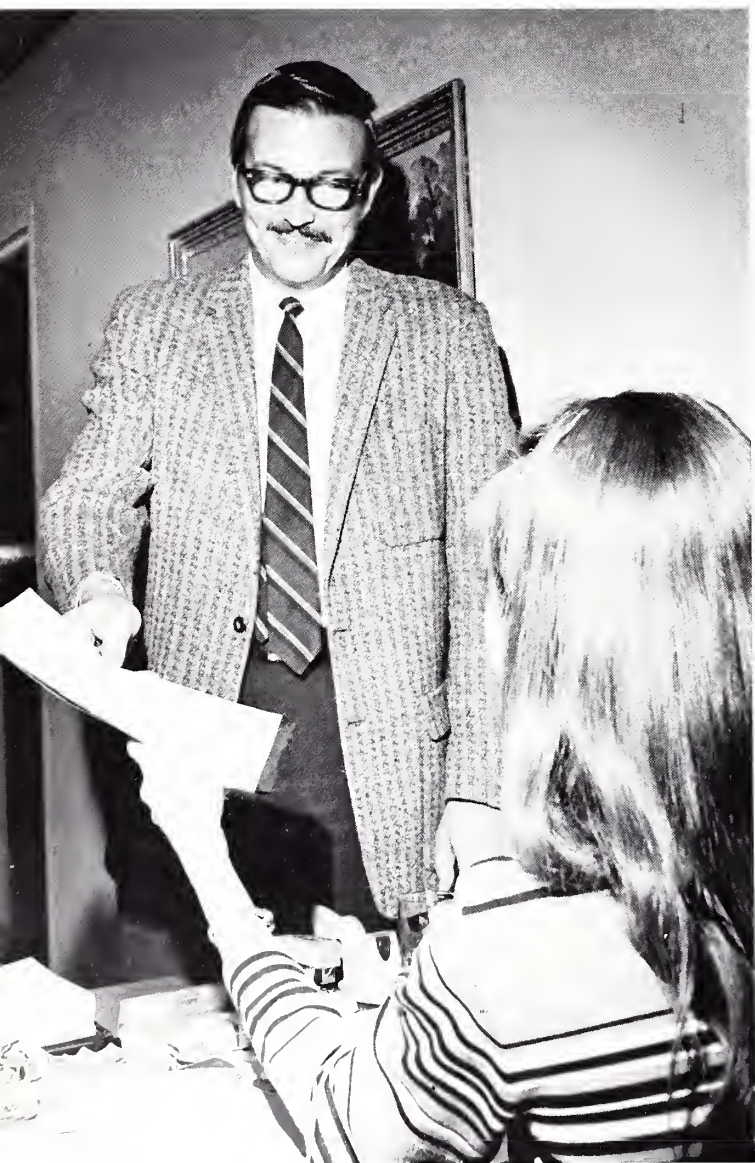

Administration

James W. Colbert, Jr., M.D., Vice-President, Academic Affairs

Administration

Lawrence W. Snead, Associate Administrator Medical University Hospital

H. M. Porter, Jr., Administrator Medical University Hospital

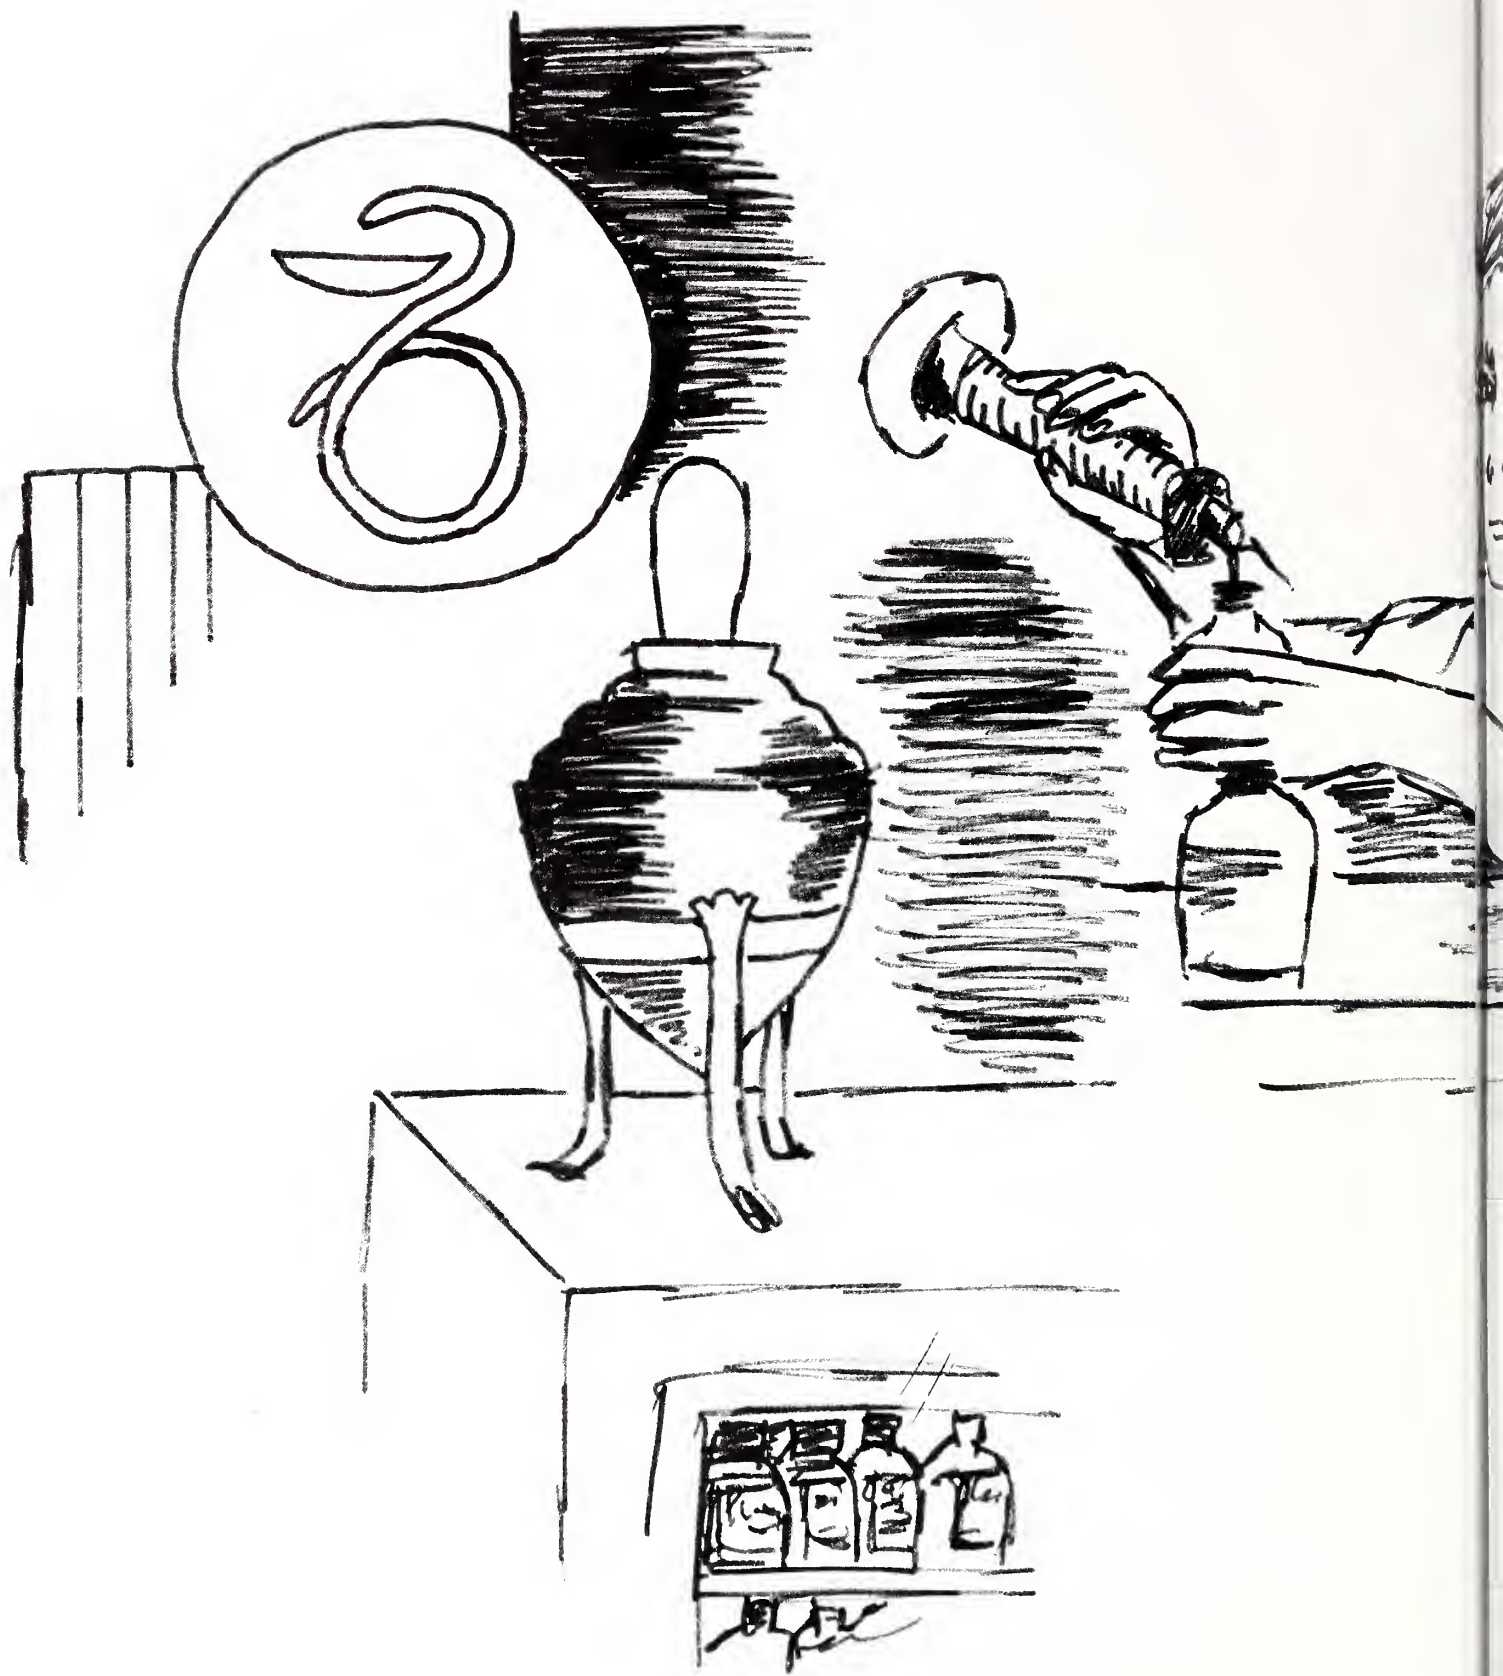

Charlie Knee, Public Relations

Mary Forbes McLain, Administrative Assistant to the President

Caroline Lawn, Registrar

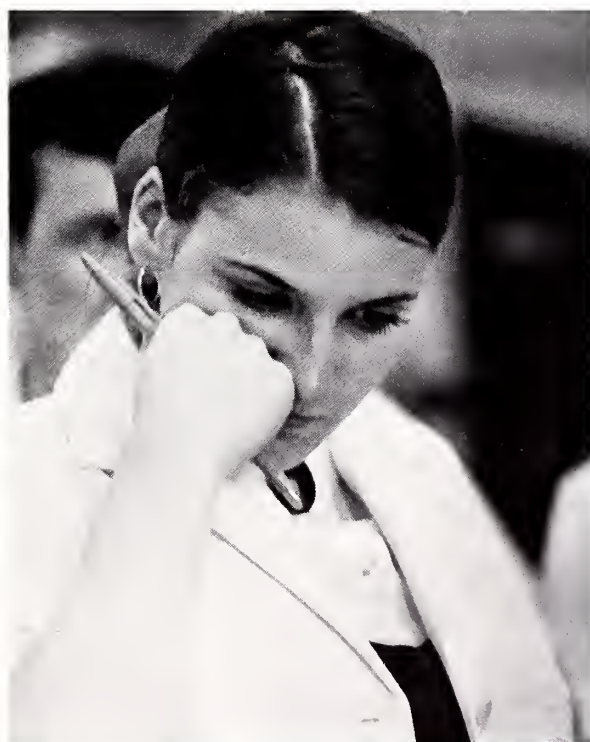

School of Pharmacy

Dr. William Hersh Golod, Dean

of Pharmacy

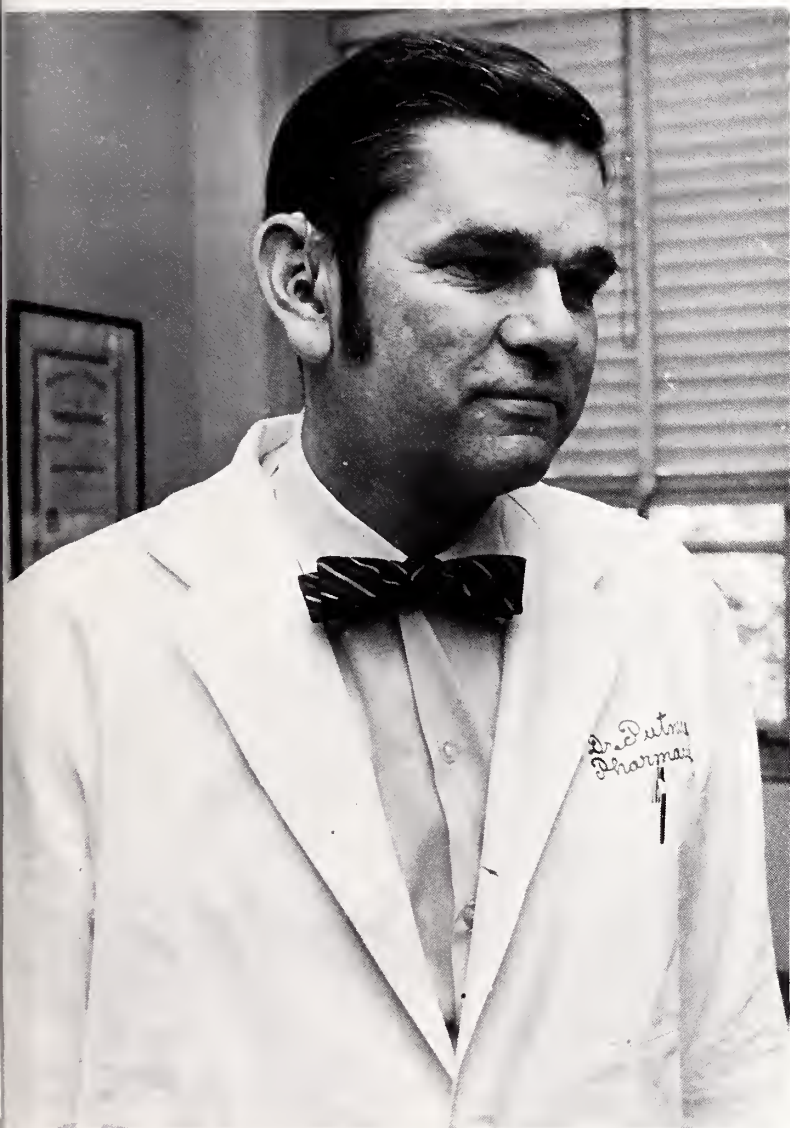

The School of Pharmacy occupies a unique position in being intimately affiliated with the various departments of the School of Medicine. Pharmacy students receive instruction in such courses as biological chemistry, physiology, pharmacology, public health, and bacteriology from teachers who have specialized in these respective fields. The correlation of these courses regularly offered in the school of Pharmacy is most valuable, and is made possible only in those schools where both the course in medicine and pharmacy are taught.

Dr. John Hampton Hoch, Professor of Biology and Pharmacognosy.

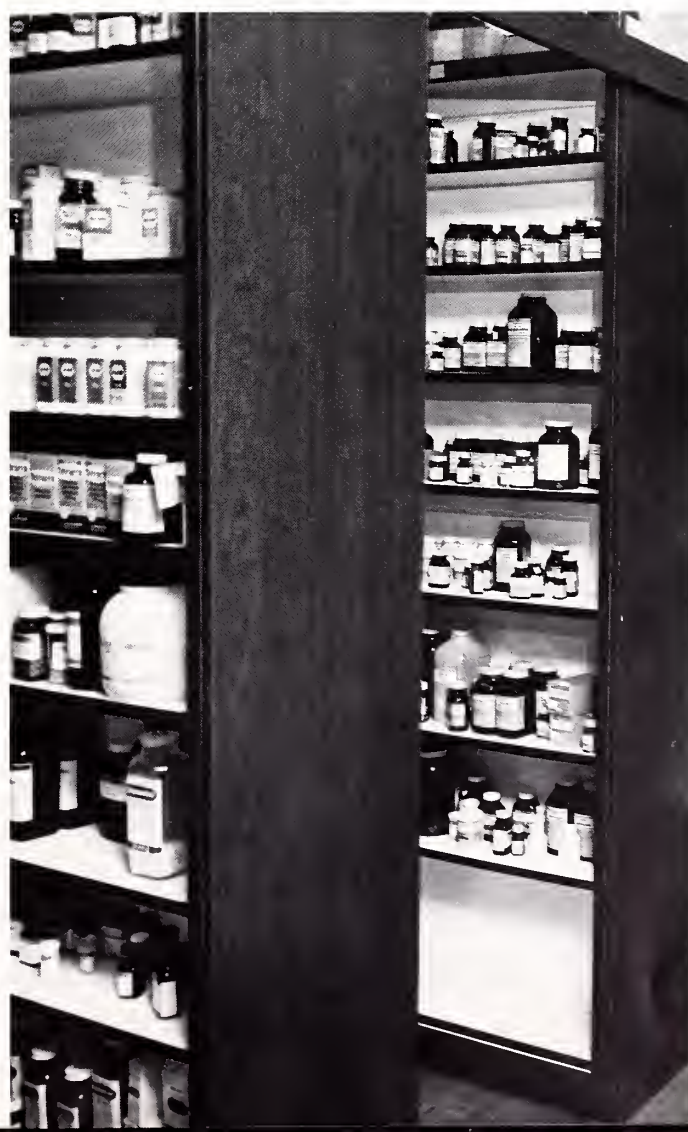

School of Pharmacy Faculty

Dr. Blake F. Putney, Chairman and Professor Department of Pharmacy.

LEFT: Dr. Alvin F. Dodds, Chairman and Professor of Pharmaceutical Chemistry.

School of Nursing

Dr. Marcia Curtis, Dean.

School of Nursing

The aim of the School of Nursing—merit in education, patient care, and research—are those shared by the other schools of the Medical University. The nursing program has been revolutionized in the past five years: the first class with a B.S. in nursing graduated in the summer of 1969.

Students are prepared to serve the community not only in their medical capacity, but also as active, well-rounded members of society.

Men - not Gods...

School of Medicine

School of Medicine

Serving three primary purposes—education, research, and medical care—the School of Medicine prepares the young men and women of today to face the challenges of tomorrow.

With hard work, dedication, a genuine interest in people, and an ever increasing search for knowledge, medical students acquire the abilities to serve mankind.

Dr. Robert H. Green, Dean

LEFT: Dr. Curtis Worthington, Chairman Department of Anatomy, Assistant Dean for Curriculum.

BELOW: Dr. Robert P. Walton, Chairman Department of Pharmacology.

Creighton Wrenn
Anatomy

Doug Wilkerson struggles with his typewriter.

School of Dentistry

As the newest school in the Medical University complex the School of Dentistry has made great progress since its organization.

Currently under construction and projected to be completed by the fall semester 1970, the new dental school will offer, as the present facilities do, the ultimate in new techniques and equipment.

Its mission is to prepare for effective professional and community service, and to instill in the students a sense of vocation and solid foundation for further professional and graduate education.

Dr. John E. Buhler, Dean.

These new buildings will house the library, administrative offices, and classrooms for basic science instruction.

of Dentistry

Dr. Walter A. Hall, Jr., Assistant Dean, Director of Clinics,
Professor of Prosthodontics, Chairman.

School of Allied Health Sciences

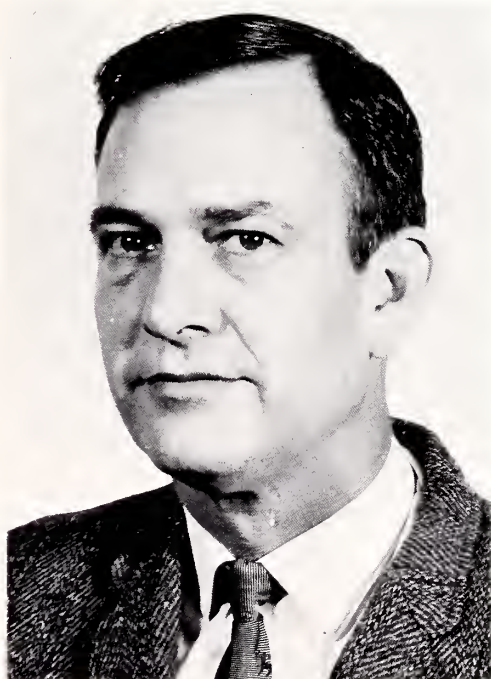

Dr. William N. Adams Smith, Dean

School of Allied Health Sciences

The School of Allied Health Sciences at the Medical University was established in 1966. The school has grown to include ten programs of study. Included in its programs of study are: Cytotechnology, Dental Technology, Histologic Technology, Inhalation Therapy, Medical Laboratory Assistant, Medical Record Administration, Medical Technology, Nurse Anesthetist, Practical Nursing, and Radiologic Technology. Entrance requirements and length of study vary with each program. Certificates are awarded for successful completion of courses, and a B.S. degree may be awarded in courses equivalent in length and material to college courses.

Dr. Harold S. Pettit, Dept. Head, Radiologic Technology.

Dr. J. E. Mahaffey, Dept. Head, Nurse Anesthetist and Inhalation Therapy.

Organizations

Charles W. Hanna, Chairman

THE INTERSCHOOL COUNCIL serves as a committee representing the students of all the schools of the Medical University. It is composed of representatives from each school, and they work to promote communications between the students and administration. The council plans social functions and other activities which are designed to promote fellowship and the exchange of ideas. This year's activities included a back-to-school dance, Christmas dance, and a concert featuring B. J. Thomas.

Interschool Council

THE INTERSCHOOL COUNCIL: *Seated, left to right:* Bob Scarpato, Graduate Studies; Sharon Timmerman, Nursing; Dennis Davenport, Pharmacy; Nancy Watkins, Nursing; Ben Clark, Medicine; Mary Ann Groblewski, Allied Health; Bill Stoddard, Medicine; Richard Beck, Dentistry; and Paul Akers, Graduate Studies.

The Caducean Staff

Art Editor	Jo Osborne
Photography Editor	Vicki Barood
Secretary	Maree Fann

Through the combined efforts of the students making up the Caducean Staff, the fourth edition of the Caducean was accomplished. It was the goal of the staff to portray the personality of the university and the students, as well as the environment in which they exist. The pictorial view of the Medical University presented here is our answer to our goal.

Marguerite Dibble, Advisor

Sally Melfi and Nancy Springs

Judicial Board

THE JUDICIAL BOARD is the judicial body for the female dormitory. It acts as a governing body for furthering the standards of the dormitory.

Left, Standing: K. Johnson, N. Howell, A. Nivens, B. Hope, C. Priester, N. Faulkenberry; *Seated:* J. A. Jones, J. Lane, chr., C. Roberts.

Hall Council

THE HALL COUNCIL is the governing body for the dormitory. The council strives to make life more enjoyable for the residents by making rules and regulations, communications between students and faculty, and planning activities and programs.

Below: K. Johnson, G. Dunston, L. Weibel, R. Jones, T. Hawkins, P. Lawter, R. Butler, J. Osborne, B. Summerlin, N. Carpenter, Miss Dibble, advisor, T. Morris, pres., S. Shapleigh, R. Boatwright, M. Thompson, S. Kay.

United Christian Fellowship

UNITED CHRISTIAN FELLOWSHIP is a religious organization for students of all denominations at the Medical University. The group meets weekly with informative programs and discussions. The meetings prove to be times of "Christian Fellowship" for all those who attend.

Baptist Student Union

THE BAPTIST STUDENT UNION, a Christian group, offers to the student an opportunity for spiritual development. Through guest speakers, informal discussions, and exciting outings the BSU member learns to explore his own concepts.

THE STUDENT AMERICAN DENTAL ASSOCIATION is the professional organization for dental students at the Medical University of South Carolina. President, C. Hanna; Vice President, R. Carpenter; Secretary, L. Sheehan; Treasurer, B. Klinger.

RHO CHI FRATERNITY is the Pharmacy Honorary Fraternity. M. Flippen and G. Wilkie are its members.

ALPHA OMEGA ALPHA FRATERNITY is an honorary medical society. F. Axson, R. Babb, B. Beason, J. Belknap, J. Bell, R. Bogan, E. Chardo, P. George, M. Hughson, R. Irvin, J. Jackson, D. Samonsky, R. Wade, President, are the members.

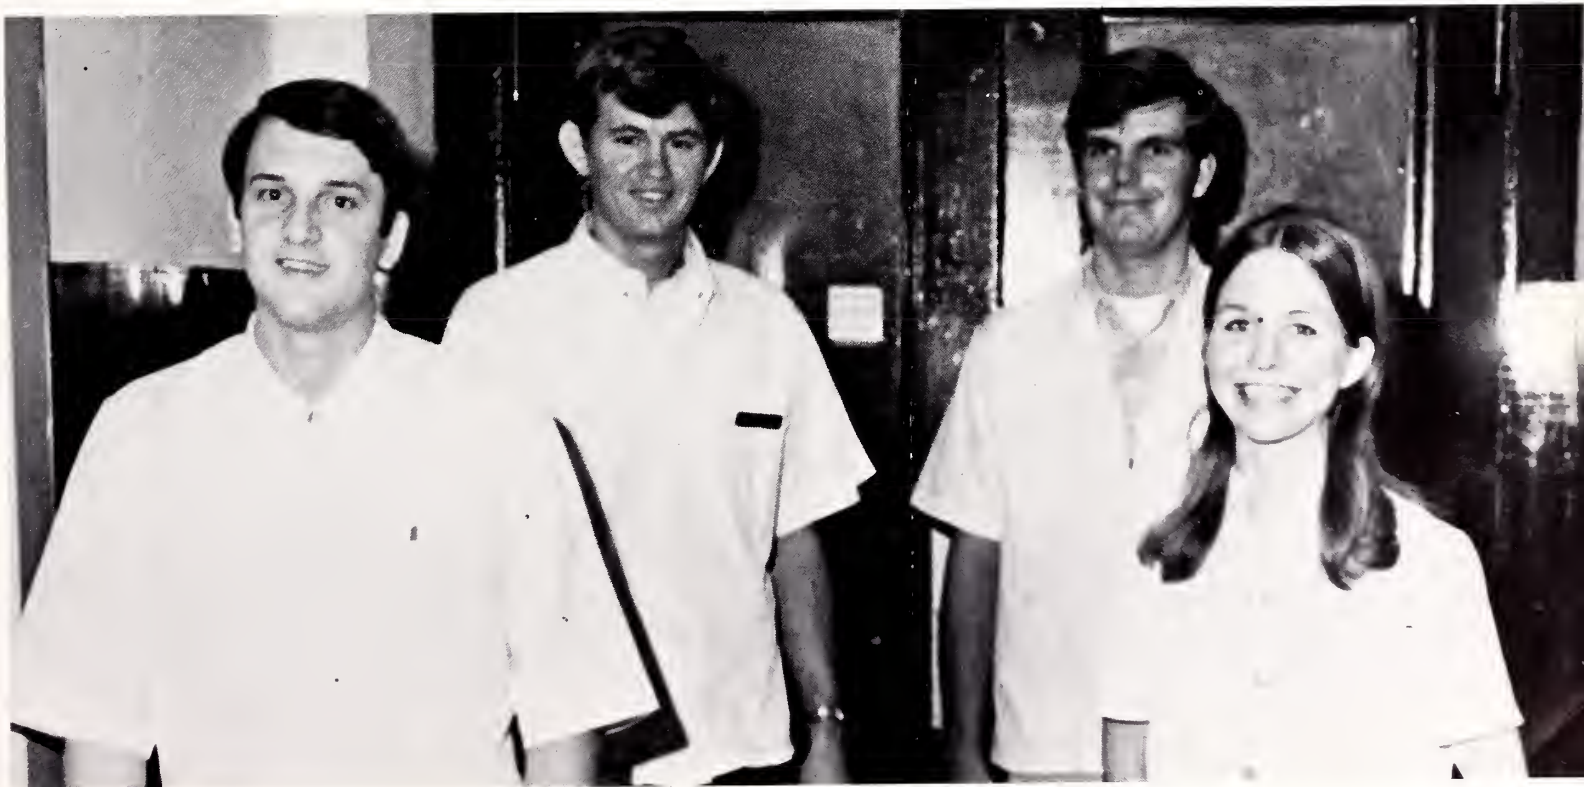

SAMA

THE STUDENT AMERICAN MEDICAL ASSOCIATION is a national organization the membership of which is comprised of medical students, interns, residents, and physicians in practice. This organization seeks to serve the membership through the maintenance of student communication and the sponsorship of a monthly journal. President, Sam Stafford; Vice President, Ed Anderson; Secretary-treasurer, Mike Smith.

Left: Mike Smith, Sam Stafford, Ed Anderson.

APHA

THE AMERICAN PHARMACEUTICAL ASSOCIATION is a professional organization at the student level which encourages participation in the program of pharmacy. It encourages the students toward an understanding of pharmacy and its place on the health team.

Sigma Nu Alpha

SIGMA NU ALPHA, a student nurses' association, is a professional organization for the nursing student. To the member it stimulates an interest and understanding of the state and National League of Nursing. Meetings held during the school year center around programs and activities which the members actively participate in. The officers include: Sharon Timmerman, President; Millie Small, First Vice President; Sally Melfi, Second Vice President; Nancy Watkins, Recording Secretary; Emily Dickens, Corresponding Secretary; Anita Nivens, Treasurer; Kathy Grant and Emma Murchison, Directors; Maree Fann, Committee on Nominations; and Pi Kornahrens, First Vice President of the State.

Sharon Timmerman, President

PHI RHO is one of the largest medical fraternities at the Medical University of South Carolina. The fraternity sponsors several parties during the year and also strives to offer a stimulus for scholarship.

PHI DELTA CHI is a professional fraternity of pharmacy. In 1947 the Alpha Kappa Chapter of the Medical University received its charter. The purpose of Phi Delta Chi Fraternity is to promote the pharmacy profession, further scholarship among brothers, offer a good social atmosphere, and promote a fraternal spirit among its members.

Compliments of
**CHARLESTON STEEL
ERECTORS**

When you can feel the quality--you know they're WHITE.

You can *feel* the quality in instruments crafted by S. S. White. Beautifully balanced, light and secure in your fingers, they help you do your best work with less fatigue. At the end of each day, you will *know* the difference that quality instruments make.

Flex™ Explorer—the closest approach to an absolutely break-proof instrument. Single or double-ended.

Nu-View™ Mirror—won't fog or streak when sterilized. Gives you faithful detail without double images.

Gracey Curettes—tough carbon steel operative points, lightweight chrome finish handles.

Eames Condensers—made of Tarno®, they keep their bright, smooth finish even after repeated sterilization.

Andrews Carvers—longer, sharper cutting edges. Unequalled for carving fast-setting amalgams. Tarno.

Check over your supplier's complete line of high-quality S. S. White operative instruments, soon. S. S. White Division, Pennwalt Corporation, 211 S. 12th St., Philadelphia, Pa. 19105.

WE'RE LOOKING FOR IMAGINEERS — CAN YOU QUALIFY?

According to the dictionary, there is no such word as "Imagineer" but at S.C.E.&G. it's a different story; Imagineers are the backbone of our company. We define "imagineer" as a creative engineer with an eye on the future. One who is an innovator. One who is adaptable to change, but yet practical and thorough in his evaluations. It takes more than a degree to be an imagineer . . . can you qualify? Contact our Personnel Department.

Bioblend® Teeth make any denture look more natural.

Bone-like enamel. Wrap around translucency. Internally blended color. These are just a few of the esthetic refinements which distinguish Bioblend from all other artificial teeth. The result: Bioblend Teeth are now being used more often for complete dentures than any other teeth in the world. *Any other!* Available in porcelain or plastic.

ALL GOLDS ARE
THE SAME!

THAT'S WHAT I
USED TO THINK

"Like you, I thought all dental golds were pretty much the same, but I found great differences, particularly when I began using Ney micro-grain golds. They cast better, finish better, and have better marginal strength because of the tiny grain size.

"I think my time is worth too much to compromise with materials or equipment that might downgrade my best efforts—That's why I'm so fussy about the gold I specify. There is a difference!"

For that difference why not specify Ney? Then you're
sure — in good company. **the J. M. Ney**
